

Willmar 24 Ton Side Shooter Tender/B-B Trailer

Willmar®

TENDER SPECIFICATIONS

Willmar Side Shooter tenders deliver material handling excellence through rugged durability and reliable performance.

The 24 ton Side Shooter features a 409 stainless steel six compartment hopper with 40 degree fast flow sides, fold up viewing platforms, front hopper access ladder and a 10" x 20' 409 stainless steel, hydraulic discharge auger with hydraulic raise, lower and swing adjustability. Includes individual hydraulic auger shut off controls for horizontal and side discharge auger.

Two easy slide stainless steel gate control handles offer individual hopper unloading. A bottom dump gate, located just below, offers a large opening for pit unloading as well as a fast, easy clean out.

Durable two part epoxy primer and polyurethane paint finish which adds corrosion protection for lasting value.
