

The PPGA has joined a large coalition in opposition to Washington Initiative 1631, the costly and flawed ballot measure that would create damaging policies for Washington state. This initiative, proposed for the November 2018 statewide ballot, represents a poor and ill-conceived approach to environmental policy in our state and would impose costly new burdens that would unfairly hurt Washington families, small businesses and our economy. The PPGA joins, among others the Associated Builders & Contractors; Associated General Contractors; Cascade Natural Gas Corporation; Far West Agribusiness Association; Northwest Gas Association; Sun Pacific Energy, Kennewick; Washington Farm Bureau; Washington Food Industry Association; Washington Rural Electric Cooperative Association; Washington State Tree Fruit Association; Washington Trucking Associations; and the Washington Wheat Growers.

Now we need your help. We need all Washington Marketers to make their opposition known by informing their customers about the negative impact this policy will have on their energy costs.

The PPGA is asking members to please follow the coalition on Facebook and Twitter. Also ask your customers to do the same. These are small steps that can make a HUGE difference for the campaign. Here's what you need to know and do:

TWITTER

- Follow us at <https://twitter.com/VoteNOon1631/> (@VoteNOon1631) and please like and retweet the tweets.

FACEBOOK

- Like us at <https://www.facebook.com/VoteNOon1631/>
- Like the posts, add positive comments, and share the posts to on your own pages.

Thank you for helping us get the word out this week about our social media accounts!

[Attached](#) please find a list of sample posts for you to use on your social media channels (Twitter, Facebook) to help get the word out about Vote NO on 1631.
